Thank you to everyone who sent in a write up summary for the website. Much appreciated.

I haven't heard from all of you (ahem, you know who you are). And, I know there are a number of decisions still happening around bills and the budget.

So, if you haven't already done so – please send me what you have.

And, once the budgets are finalized and all the bills are signed, let me know, if there are other things to include.

Thanks all! I know this is a very busy time for everyone.

Subject: session accomplishments for website update - NEED ACTION

Policy advisors extraordinaire,

Hope you are recovering from session.

As we do following every session, we need to update the governor's website with accomplishments and wins from the session. <https://www.governor.wa.gov/issues/issues>

A few of you have already sent in accomplishments from your portfolio. (Thank you!)

We need to hear from the rest of you.

Please send me a summary of what was accomplished during the session – bills, budget items etc. (We won't post until after the budget is signed).

It is crucial that we have the most up to date information to tell our story.

Please send me your summary by COB on Wednesday, March 21st.

Let me know if you have any questions or concerns. Thanks, Tara
