Hi Boaz,

I wanted to clarify something. Are you looking for information only on SEIU-represented employees? Or are you wanting info on all represented employees, regardless of bargaining unit?

Good evening,

In accordance with ORS 192.324(2), this acknowledges our receipt of your January 16, 2019, request for the following records for each Oregon government agency included in [this directory](#):

- The total number of SEIU 503 represented employees who were paid by the State of Oregon in December 2018.
- The total number of SEIU 503 represented employees who had union dues withheld from their pay in December 2018.

Having reviewed your request, I am able to confirm that the Department of Administrative Services is the custodian of the requested records. I will complete the processing of your request as soon as practicable and without unreasonable delay.

Thanks,
