Subject: Briefing for Agency Review Team

Good afternoon -

I am writing because the Biden-Harris Agency Review Team, consisting of Jennifer Abruzzo and Seema Nanda, has requested a briefing from the RD Committee and the Regional Attorney Guild, and we'd like to set that up as soon as possible. (Under the Presidential Transition Act, the Board's designated transition contacts are responsible for arranging all meetings between Board employees and the ART, which is why I'm writing instead of Jennifer or Seema.)

In advance of your ART meeting, we'd like Nancy Platt and Lori Ketcham to give a you a short briefing on protecting the Board's case-handling deliberative interests and on ethics matters that can arise in these kind of meetings. Nancy and Lori have provided this type of guidance to other NLRB employees before they have briefed external sources, and we think people have found it helpful.

Would you be available on Tuesday morning for Nancy and Lori's briefing, and then later Tuesday afternoon for the meeting with ART?

Please let me know if you have any questions – I am happy to discuss at your convenience.
