And.....I received it from Director Pat Nachand. It was a pleasure to share with my staff the appreciation of the President for all we do. We found it uplifting and inspiring.

Thanks Colleen, please know that Region 31 Director Mori Rubin circulated the link to her staff, and then Mori kindly sent it to those of us in Operations. I know that the link is circulating to other Regions as well.

I'm proud to serve with you and with everyone else who works for the NLRB and for the United States Government.

Best wishes, I hope you, your colleagues and family are healthy and remain well.

Joe

Hi all,

Hope everyone is hanging in there, and looking forward to new and beautiful things. I just received this video - [A Message from President Biden to all Career Staff](#) - from a friend a HUD and share with you as the NLRB leaders who come to my mind as leaders might like to share it with the career folks on your respective teams, so to ensure everyone gets the message.

Happy Friday wishes and in solidarity,
Colleen

A supervisor from another Region shared the following video from President Biden. I found the message inspirational and reaffirming, [A Message from President Biden to all Career Staff](#).

I am proud to be a member of the NLRB. Wishing everyone a nice weekend,
