Hi Peter,

Congratulations on your appointment as Acting GC. For my money, I'd love to see you in that position permanently. It is such sweet justice to see Robb kicked out on his ass and you replace him. As low as I've felt these past few months, when I heard the news about your interim appointment, I got up and did a happy dance! Most of the retired RDs were opposed to Biden axing Robb, but not me. I know it sets a new precedent which the others were averse to seeing. But this situation was different in my mind because, as we both know, Robb did what he could to hollow out the Agency and ruin it. It was only because of the brave resistance of people like you that he did not do more damage. So I celebrated when Robb was shown the door. But now I'm elated that you are in charge of the GC's office.

I wish you all the best in the weeks and months ahead. I will be thinking of you and hoping that your burden is not too heavy. I hope that all is well with you and your family.

By the way, thank you so much for the kind and thoughtful sympathy card (b) (6)

Best wishes,
Allen Binstock
