

Employee Card in Support of UD Petition to the NLRB

I am an employee of: _____
(Employer)

and am part of a bargaining unit represented by: _____
(Union)

I wish to rescind the union's authority under the collective bargaining agreement to require employees to make certain payments to the union in order to retain their jobs. I support the instant UD petition asking the National Labor Relations Board to conduct a recission/deauthorization election via secret ballot for employees in my bargaining unit to determine whether to remove the union security clause and make union payments optional.
