Dear Todd:

When I responded to your email on August 9, 2023, about the status of negotiations regarding the recruitment and retention payments, I invited you to contact the WFSE member connection center. At the time, the WFSE was actively pursuing these payments for all bargaining unit members. I did not intend to imply that your representation was contingent upon union membership. I apologize for any implication to the contrary by my reference that I reserve personal responses for actual union members. As a WFSE bargaining unit member, should you need representation in the future, please contact the [MCC@wfse.org](mailto:MCC@wfse.org) or the local Field Office.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mike Yestramski".
